with love,

H. W. D. S.

Dearest Jaxon,

I hope to see you soon at Papaji's feet in America, so I don't know yet Maito's plan for me. He will come by Singapore, Bangkok and Tokyo to Hawaii and plans to visit several islands before continuing to the mainland. (San Francisco, Seattle, Boulder), maybe Europe afterwards.

To accompany him would be a divine gift, to be with him here and to be around him is already more than I could have ever conceived. His love is consuming me, my dear brother, I am burning, burning with this 'madness'. His beauty is fatherless. At this feet

Yours
