Dear Saxon,
I have tried the recorded tape
from Raj Pralhu who came
from Boulder today.

I can not hear properly. Please
send me the transcript.

only I heard. Andrew → ~~to~~ ^{You} Call
me "I AM Confused".

Ganga is "NO I dont say you are
Confused" I say "your understanding
is limited" I am very happy you
speak with ~~my~~ my tongue.

Just of all why did he go to you.

He wrote to me "Tony a woman
on the street" had no under-
standing to pick up my (Andrew) →

teaching. And now she has been
sent by Pompa ji to mislead people.

You don't keep any garbage in
your mind. You don't carry any person
in your mind. Then alone you are
fit to Teach! Truth!

He wrote to me: "I am in Paris
my whole Ganga is in Paris."
Seeing Ganga + Dev Men encouraged
by Pompa ji.

There is a very good letter from
Maitri + 9 others from Boulder who
have attended your Satrang + Devapren
+ Andrew, of all these. She writes she
has only found the True teaching
in you.

Love
