

7th May 93

My dear Son,

I have received 4 copies of Volume 2 of Wake Up & Roar.

I have liked it much in all respects. The color, the set up of the book, the photos & the photos inside of the book are excellent.

I have not yet read the book to find out if there are spelling mistakes like in the previous one.

I am of the opinion that this book has to be left alone for you to sell & publish through your own media & this need not be published in India as a cheaper addition to make up your expenses.

Please let me know if Ganga ji will be interested to go to Bodh Gaya Sarnath-Kathmandu (Nepal) as per my plans to be finalised later around Oct 93, for Jan 94.

I will get my passport about the 10th of May 93 & then go to Delhi for visa, & you will be informed, also Raj & others.

Catherine wrote to me that title "Keep Quiet" doesn't sound attractive to the western eyes.

My love to Gang ji. There are many people here who have been blessed by her recently. Kery who is here & likes to stay on forever. All those who come from Ganga ji are given special place in the Satsang Hall & are invited for private meetings.

Now due to summer 45 degrees C many people leave for KuluManali-
Almora-Nainital-Mussoorie-Kathmandu.

My love to you & Smt Canga ji,

Papa ji
